

Music Sponsorship Program

As part of the Kingman Concert Band's ongoing pursuits to expand the ensemble's music library for our performers & audience, we invite you to sponsor a musical selection for the band to possibly perform at an upcoming concert. Peruse the list below to find a favorite tune or visit www.jwpepper.com to suggest other selections. Sponsors will be acknowledged at the time of the selection's performance and will receive a receipt for the charitable donation to our 501(c)3 non-profit organization. Please speak with a member of the Kingman Concert Band for further information. We applaud you for helping the beat go on!
